Hint:

To post a form on your website it should be in a .pdf format. To save a form as a .pdf you need a copy of Adobe Acrobat. This is different from Adobe Reader, which is free but can only read .pdf files. You can purchase a copy of Adobe Acrobat at most electronic stores or on-line at (www.adobe.com). Or you may e-mail us your forms and we will convert them to a .pdf format on a per form charge.
